

Mis on RSS ja kuidas seda kasutada?

RSS (inglisekeelne lühend sõnadest Rich Site Summary või Really Simple Syndication) on XML-il põhinev andmevorming (uudistevoovormingu standard) Internetis kasutamiseks, peamiselt veebilehtede sisukorra või uudiste kokkuvõtete tegemiseks. (*Wikipedia*).

RSSi saab kasutada selleks, et olla kursis teile huvi pakkuvatel veebilehtedel toimuvate muutustega, ilma et peaks neid lehti regulaarselt külastama. Kui huvipakkuv veebileht pakub **RSS-uudisvoogu** (i.k. *RSS feed*), saab registreerida ennast selle uudisvoogu lugejaks ja teated veebilehel toimunud muudatuste-uudiste kohta tuuakse automaatselt teieni.

Eesti keeles on RSS-uudisvoogu kohta kasutusel ka terminid RSS-uudistevoog, RSS-voog, RSS-toide.

RSSi abil saab ennast kursis hoida nii Postimees.ee uudistega (<http://www.postimees.ee/rss/>),

Eesti Vabariigi Presidendi otsustega (<http://www.president.ee/et/ametitegevus/otsused/format-feed-amp-type-rss.htm>)

kui ka TÜ Kliinikumi teadetega

(http://www.kliinikum.ee/index.php?option=com_ninjarsssyndicator&feed_id=1&format=raw).

Uudisvoo lugemiseks tuleb selle aadress kopeerida RSS-i toetavasse programmi - nn RSS-lugejasse.

Sõltuvalt RSS-voo vormingust ja veebilehest võib RSS-i kaudu saadetak info sisaldada kas ainult uudise pealkirja, või ka autorit, sisukokkuvõtet, mõnikord ka tervet uudist. Alati on RSS-uudis lingitud ka oma veebilehe vastavale uudisele-artiklile.

Kui veebilehega on seotud RSS-voog, on see link sellele tavaliselt välja toodud tekstina: **RSS**, **XML**, **RSS-voog**, inglise keeles **RSS feed** või vastava kokkuleppelise ikoonina: 

RSS-lugejad

RSSi kasutamise võimalus on lisatud mitmetele laialt levinud veebilehitsejatele ja e-posti programmidele (nt. Internet Explorer, Mozilla Firefox, Microsoft Outlook, Mozilla Thunderbird). Lisaks on olemas eraldi RSS-lugejad, mis jagunevad kaheks: spetsiaalsed arvutisse installeeritavad programmid ja veebipõhised RSS-lugejad.

Levinud veebilehitsejatesse Internet Explorer ja Mozilla Firefox on sisse ehitatud lihtsamad võimalused RSS-uudiste jälgimiseks. Neid vaatame edaspidi põhjalikumalt.

Ka E-postiprogrammidesse Mozilla Thunderbird ja Microsoft Outlook (alates versioonist 2007) on sisse ehitatud RSS-uudiste lugemise võimalus. RSS-uudiste kaustas käsitletakse siis iga RSS-voogu omaette alamkaustana ja uudist analoogiliselt kirjana.

Title

Sellel ikoonil klõpsates ilmub leht, kus saab selle uudisvoo lugejaks registreeruda, vajutades lingile **'Subscribe to this feed'** (Juhul kui teile on teada mingi RSS-voe aadress, tuleks see sisestada veebilehitseja aadressireale ja ilmub samasugune leht).

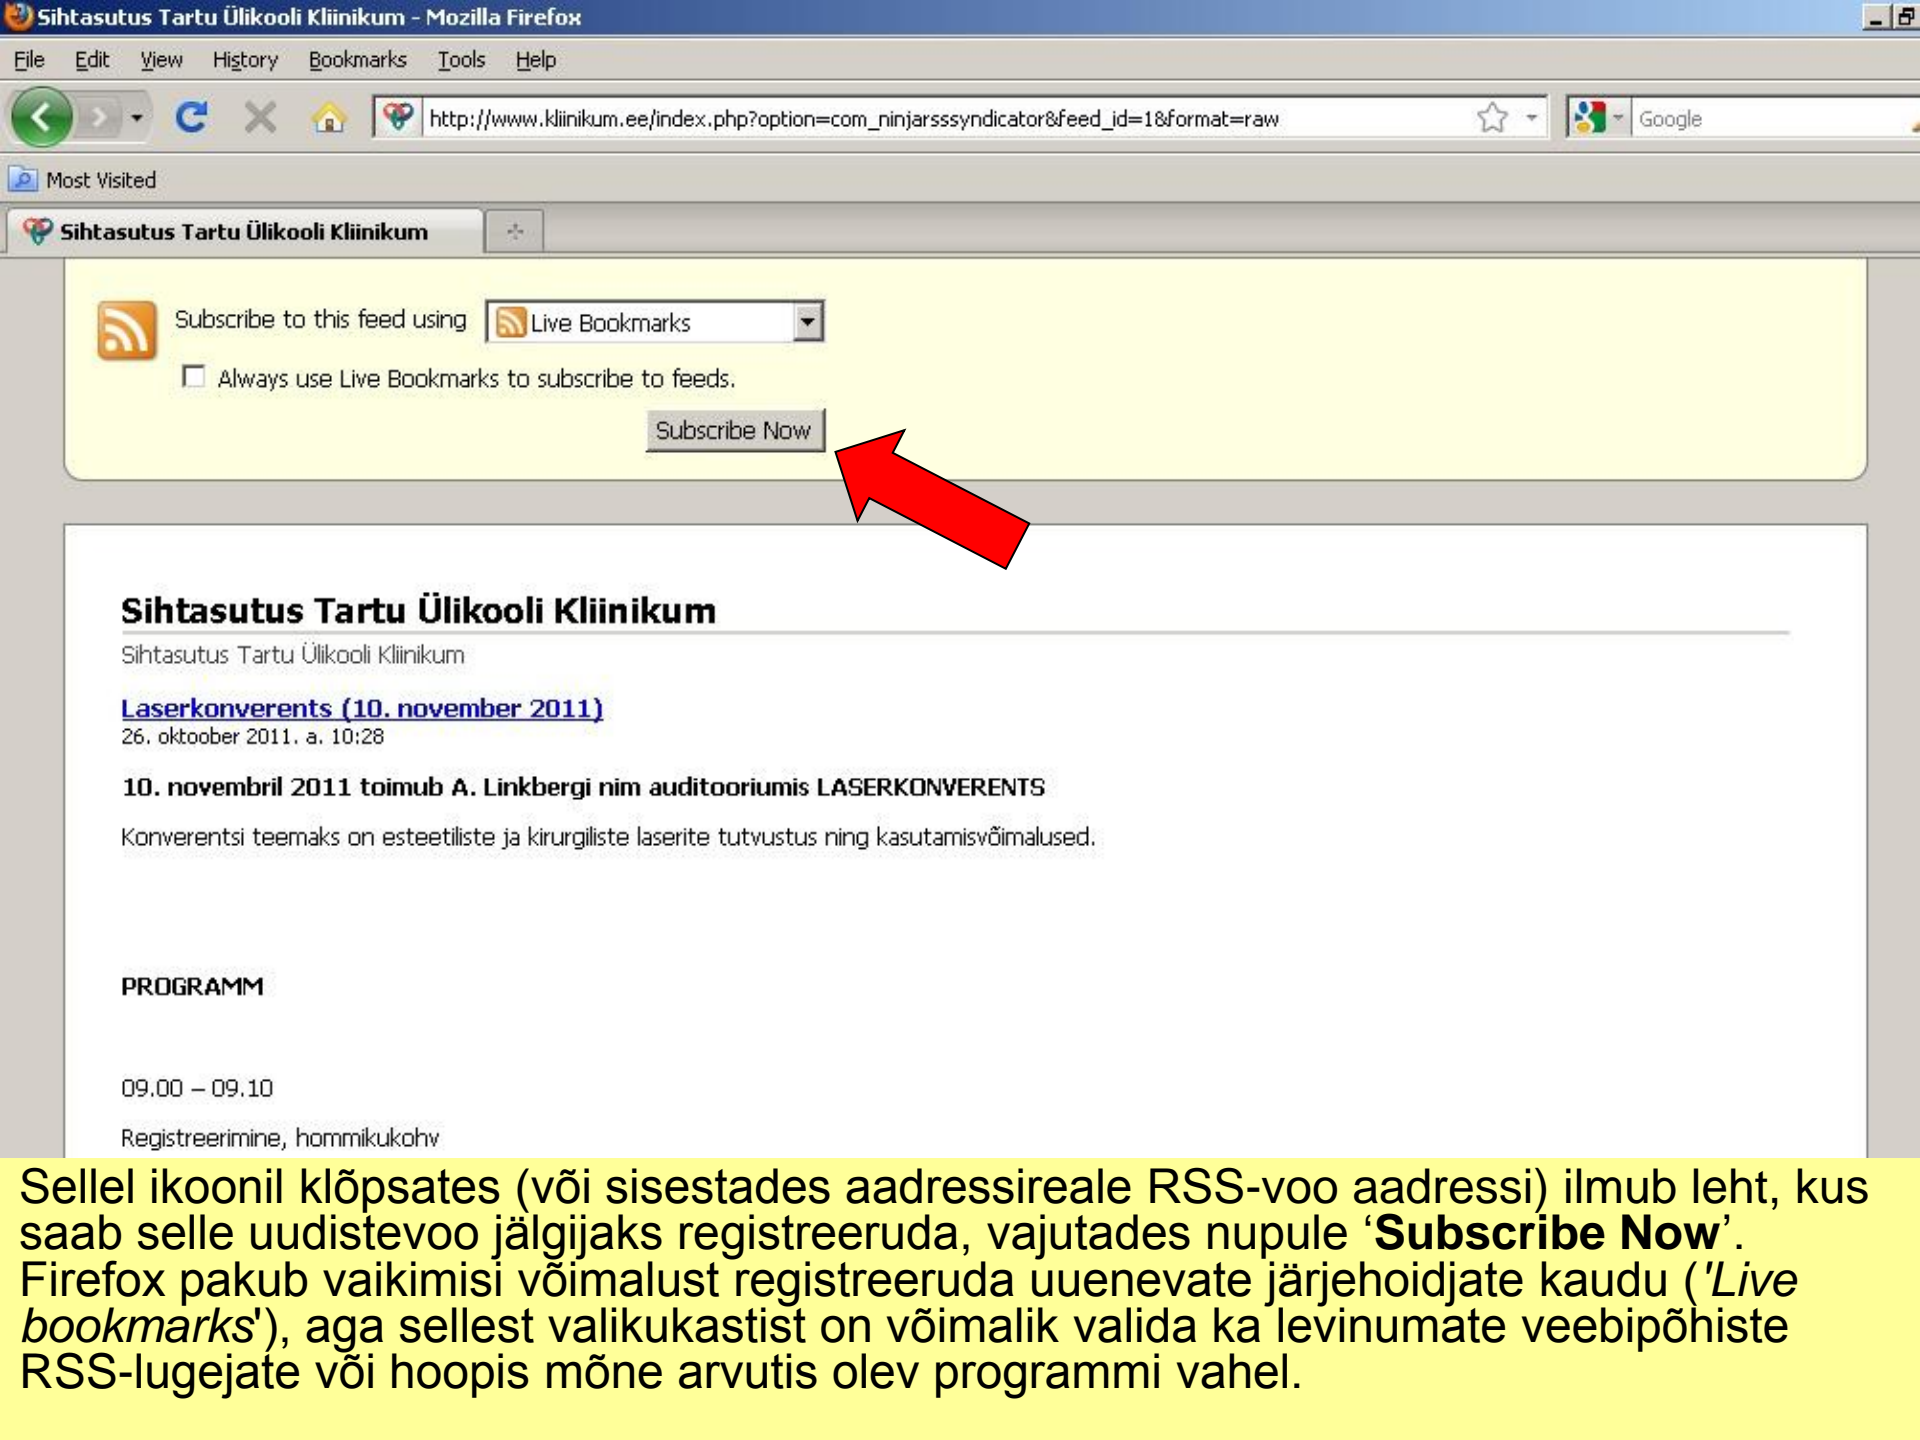

Uudiste ülevaatamiseks tuleb Internet Exploreris valida 'Favorites Center'i tähekujuline ikoon ja sellelt valik 'Feeds'.

Mozilla Firefox

Mozilla Firefox kasutab RSS-uudiste näitamiseks järjehoidjate (*Bookmarks*) erivõimalust "uuenevad järjehoidjad" (*'Live bookmarks'*) - see näitab järjehoidjatena RSS-uudiste pealkirju. Sarnaselt Internet Exploreriga - kui asute veebilehel, millega on seotud RSS-voog, siis muutub vastav ikoonike värviliseks.

Sellel ikoonil klõpsates (või sisestades aadressireale RSS-voe aadressi) ilmub leht, kus saab selle uudistevoo jälgijaks registreeruda, vajutades nupule 'Subscribe Now'. Firefox pakub vaikimisi võimalust registreeruda uuenevate järjehoidjate kaudu ('Live bookmarks'), aga sellest valikukastist on võimalik valida ka levinumate veebipõhiste RSS-lugejate või hoopis mõne arvutis olev programmi vahel.

- Laserkonverents (10. november 2011)
- Hooldaja otsing traumatoloogia osakonnas

Journal Title: FEBS Journal

Article Title: Hyaluronan matrices in pathobiological processes.

Year: 2011

Issue: 9

Volume: 278

Abstract: Hyaluronan matrices are ubiquitous in normal and pathological biological processes. This remarkable diversity is related to their unique mechanism of synthesis by hyaluronan synthases. These enzymes are normally activated in the plasma membrane and utilize cytosolic substrates directly to form these large polyanionic glycosaminoglycans, which are extruded directly into the extracellular space. The extracellular matrices that are formed interact with cell surface receptors, notably CD44, that often dictate the biological processes, as described in the accompanying minireviews of this series. This article focuses on the discovery in recent studies that many cell stress responses initiate the synthesis of a monocyte-adhesive hyaluronan extracellular matrix, which forms a central focus for subsequent inflammatory processes

Spetsiaalsed RSS-lugejad

Spetsiaalseid arvutisse installeeritavaid RSS-lugejaid on palju, levinumad on näiteks **Feedreader** (<http://www.feedreader.com/>), **RSSReader** (<http://www.rssreader.com/>), **NewzCrawler** (<http://www.newzcrawler.com/>).

Screening by Chest Radiograph and Lung Cancer Mortality: The Prostate, Lung, Colorectal, and Ovarian (PLCO) Randomized Trial [Original Contribution]

Nov 1, 2011 (16 hours ago)

by Oken, M. M., Hocking, W. G., Kvale, P. A., Andriole, G. L., Buys, S. S., Church, T. R., Crawford, E. D., Fouad, M. N., Isaacs, C., Reding, D. J., Weissfeld, J. L., Yokochi, L. A., O'Brien, B., Ragard, L. R., Rathmell, J. M., Riley, T. L., Wright, P., Caparaso, N., Hu, P., Izmirlian, G., Pinsky, P. F., Prorok, P. C., Kramer, B. S., Miller, A. B., Gohagan, J. K., Berg, C. D., for the PLCO Project Team

Context The effect on mortality of screening for lung cancer with modern chest radiographs is unknown.

Veebipõhised RSS-lugejad

Veebipõhistest RSS-lugejatest on ühed tuntumad **Google Reader**

(<http://www.google.com/reader/>) ja **Bloglines** (<http://www.bloglines.com/>). Nende eelis arvutisse installeeritud programmide ees on see, et neid saab kasutada veebilehitsejast suvalises arvutis. Veebipõhise RSS-lugeja kasutamisel tuleb luua kõigepealt endale kasutajakonto vastavasse veebikeskkonda. Kui teil Google'i konto juba olemas on (kasutate näiteks Gmaili), siis saate sama kontot kasutada ka Google Readeri kasutamiseks.

 **Talvik: eriarstile minek peab olema põhjendatud** »

9 min ago from **Meditsiiniuudised** by Vahendas Merike Kungla

Perearstide seltsi juhatuse liige Anneli Talvik ütles sotsiaalministeeriumi kooskõlastusringile saadetud seaduseelnõu kommenteerides, et muudatus, mis suurendab perearsti rolli patsiendi eriarstile suunamisel, on õige samm, kirjutab Tarbija24.

 **Hambaarstid koguvad lugusid hambaravist** »

Wed Nov 2, 2011 13:55 from **Meditsiiniuudised** by Vahendas Merike Kungla

Novembris tähistatakse hammaste tervise kuud, mille eesmärk on edendada hammaste tervise alast teadlikkust ning rõhutada ennetuse tähtsust. Hammaste tervise kuu ühe eestvedaja Kliinik 32 peaarsti Lauri Vahtra sõnul on tänavune teavituskoo pühendatud kaasaegsetele hammaste eest hoolitsemise võtetele.

 **Kaja Tampere: oleme uue ajastu sünnis** »

Wed Nov 2, 2011 13:12 from **Meditsiiniuudised** by Kadi Heinsalu

Eilsel Meditsiiniuudiste pärastlõunaseminaril sotsiaalmeedia mõjust meditsiinile leidis Tallinna Ülikooli kommunikatsiooniprofessor Kaja Tampere, et meediaühiskonnas elamine on võrreldav ajaloost uue ajastu saabumisega, ainult et me ise seda nii ei teadvusta.

 **Tulekul loengusari meditsiini tulevikust** »

Wed Nov 2, 2011 12:22 from **Meditsiiniuudised** by Toimetas Merike Kungla

7.-11. novembrini toimub tervisehoiumuuseumi eestvedamisel Eesti Rahvaarvamatuks Tallinnas

RSS ja meditsiinialane info

Vaatame, millist infot pakuvad RSSi kaudu erinevad andmebaasid (Ovid, Pubmed), kirjastuste andmebaasiplatvormid, ajakirjade koduleheküljed ja erinevad veebilehed, kuhu on kogutud infot meditsiinialaste RSS-voogude kohta.

Advertisement

Ajakiri **JAMA** pakub samuti võimalust valida erinevate RSS-voogude vahel: info kõige värskema numbri kohta või ajakirja rubriikide või teemade kaupa.

Iga konkreetse ajakirja RSS-võimalustega tutvumiseks tuleks uurida tema kodulehekülge.

RSS Medical Directory

This RSS directory contains rss links (feeds) for medicine related internet sites and publications currently available on the web. We will be updating the directory as more sites start to include rss functionality. Click on a category below to see the rss medical feeds for that category. Within a category click on the "View" buttons to see all the latest news and headlines for that source. To add a feed to your [rss reader \(aggregator\)](#), simply copy the rss link that interests you and add it to your reader, normally by clicking on the "Add new feed" button, or by clicking on "File/Add Feed" on the menu (or something similar). If you know of a medically related feed that we don't yet have in our directory, [please let us know](#) so that we can add it.

[Risk for Heterosexual HIV Transmission Among Non-Injecting Female Partners of Injection Drug Users in Estonia](#)

Abstract The HIV epidemic in Estonia, as with other eastern European countries, is currently concentrated among injection drug users (IDUs). Non-IDUs who have IDU sex partners could serve as a potential bridge in an expanding epidemic. We applied HIV transmission modelling to data collected from non-IDU/IDU heterosexual couples in Kohtla-Järve, Estonia to estimate HIV risk from IDUs to their sex partners based on self-reported sexual behaviors shared by the couple. IDUs and their current main non-injecting sex partners were recruited for an interviewer-administered survey and HIV testing. Bernoulli modellin...
